

The Castalia Gazette -- Front (sample summary)

11x17 parent companion * lighthouse masthead * occasion card * weather * mantra * calendar strips

This PDF tracks the parent tabloid edition; full responsive layout: docs/examples/parent-gazette-edition.html.

READERS -- Household adults (The Castalia Gazette), not the child letter-sized Gazetteer.

FRONT -- Masthead with lighthouse mark; Today's occasion card and production illustration slot; Weather & sky band; Mantra; Today's arc grid (when / on the plan / gentle cue); Family calendar rail; Parent jot lines; Make / Share / Do highlight row; Closing footer.

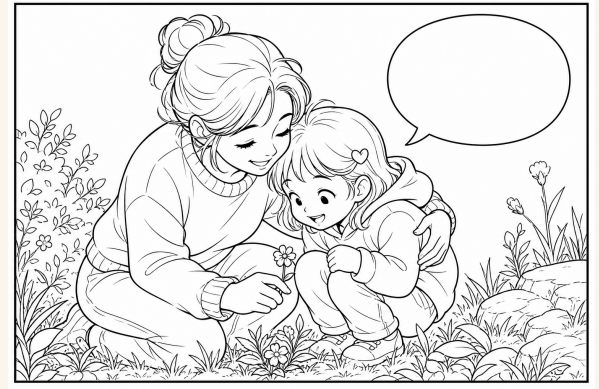

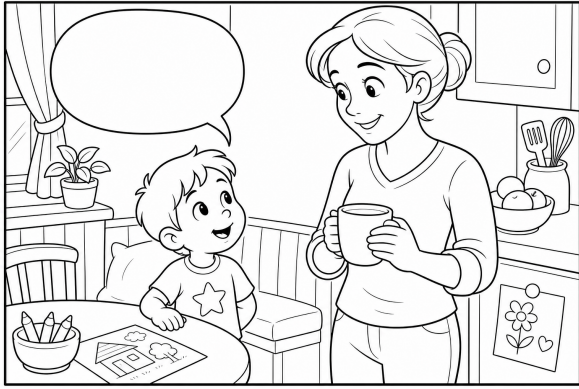

ART -- Plate prompts live under gazette_parent in docs/examples/illustration-prompts.json; run generate_samples.py --generate-images to embed Nano Banana plates in this summary.

PRINT -- Duplex ANSI B portrait (11x17); HTML applies @page margin ~0.42in -- matched here for sample parity.

PIPELINE -- JSON + SVG + CSS drive the web edition; this PDF proves copy flow across the full sheet width.

The Castalia Gazette -- Back (sample summary)

Household sky * rhythm * set out * script * reset * calendar * tomorrow * Words Moves Music Mirth

BACK -- Household sky (moon + together-today note); Today's rhythm; Set out checklist; Parent script; If the day frays reset; Family calendar; Tomorrow's thread; quote bar.

PUZZLE GRID -- Words (crossword + bank); Moves (chess diagram); Music (staff SVG); Mirth (three comic beats). HTML carries chess board, staff, and comic prompts side-by-side across the lower tabloid half.

Sample payload: docs/examples/gazette-mothers-day-sample.json.

The wide summary columns below mirror how body copy wraps in newspaper measure on 11x17.
